

DSP - angleščina, 9. razred

18. - 22. 5. 2020

Končali smo s 5. lekcijo o okolju, zato ob koncu ponovimo, kako lahko med drugim tudi pomagamo našemu planetu - WITH RECYCLING OF COURSE.

Natisni si delovni list, ki je na drugi strani tega dokumenta ali pa povedi prepiši v zvezek.

Ko vajo rešiš, jo fotografiraš in mi fotografijo pošlješ na moj elektronski naslov (maja.skacic@guest.arnes.si), da ti preverim rešitve.

Ob koncu si poglej še prilogo tega dokumenta - powerpoint, ki obravnava pogojni odvisnik (s tem smo začeli v 9. tednu).
